

^ HOW MANY READINGS ARE THERE AND WHAT DO THEY COVER?

May 1988

- ° The library contains actual copies of 14,145 Edgar Cayce readings. All of them are available for public inspection.
- ° There are over 10,000 different subjects indexed from these readings; and over 200,000 individual index cards catalog these subjects.

° Major readings' categories are as follows:*

Physical - 9,541 (about 67% of total)
Life - 1,947 (about 14%)
Special - 856 (about 6%)
Business Advice - 723 (about 5%)
Dream Interpretation - 631 (about 4%)
Mental and Spiritual Advice - 447 (about 3%)

(Note: readings' "categories" are based on the suggestion given to Edgar Cayce at the beginning of the reading and therefore do not take into account the fact that a particular category of reading might mention many different subjects. For example, although only 447 readings are categorized as "Mental and Spiritual Advice," it would be a safe assumption to say that the 1,947 Life readings contain mental and spiritual advice as well.)

*A numerical listing of the readings by type and date is available for everyone in the library.

Physical Readings - 9603

The Edgar Cayce Foundation has copies of 32 readings from the early years without recorded dates. The first date of record is 1902 for an adult female, the next is 12/12/1902 for a 5 year old girl. (Undated readings would not necessarily have been given prior to 1902.) The last physical reading on record is 294-212 for Edgar Cayce himself on 9/17/1944..

Life Readings- 1920

The Edgar Cayce Foundation has a record of one reading [4948-1] without a recorded date. The first date of record is for case 4811 in 1922. The mother requested vocational guidance for her teenage son but the reading itself emphasized influences brought from the "other side" and past life strengths and weaknesses which places it in the life reading category. Previously it was thought that 5717 (Arthur Lammers) had the first life reading on 10/11/1923. The Foundation does not have a copy of that reading. The last life reading on record is 5392-1 given for a 46 year old male on 8/28/1944.

Special- 956

The "special" category is where miscellaneous subject matter readings are classified. These readings range from unusual instances of Mr. Cayce's clairvoyance to missing persons or buried treasure. In this category are found, among others, special subject matter series such as the Work Readings, Prayer Group and Study Group readings.
